

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how families and teachers can communicate about student progress
- Describe opportunities for families to volunteer, observe, and participate in the classroom

Jointly Developed

The families, students and staff of MES developed this School-Parent Compact. Teachers suggested home learning strategies, families added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Families are welcome to contribute suggestions at any time.

If you would like to volunteer or participate, please contact Kim Lydon at klydon@pierce.k12.ga.us or (912) 807-0084.

Communication about Student Learning

MES is committed to frequent two-way communication with families about student learning and success. Some of the ways you can expect us to reach you are...

- Weekly Newsletters
- Notes sent home in the student's agenda, emails and Livingtree Engage (Livingtree will be primary source of communication)
- Parent Teacher Conferences
- Progress Reports/Report Cards
- Annual Title I Extravaganza
- Current grades and attendance in Infinite Campus Parent Portal
- Updates on the school website
- To make an appointment with your child's teachers, contact the teacher by phone (912) 807-0084, Livingtree Inbox or email.

Revised May 14, 2020

Reading/ Language Arts

Focus Area:

Increase Reading Fluency by reading 60 words per minute

As a school, we will...

- Send home a reading book daily and a weekly fluency passage for homework.
- Send home reading & cueing strategies for families to use when listening to their child read.
- Offer a Family Workshop session to foster reading fluency.

As a parent, I will...

- Listen to my child read the reading book and fluency passage daily.
- Use the provided reading & cueing strategies to reinforce what has been taught at school.
- Attend the Family Workshop session to learn strategies to help increase my child's reading fluency.

As a student, I will...

- Read the reading book and fluency passage at home to a parent daily.
- Use the reading & cueing strategies that I have learned while reading.
- Bring home my class newsletter and invitation about the Family Workshop session.

2020-2021 District Goals

The Pierce County School System will increase the percentage of students scoring at the Developing level or above in English Language Arts on the Georgia Milestones End of Grade (EOG) Assessment.

The Pierce County School System will increase the percentage of students scoring at the Developing level or above in Math on the Georgia Milestones End of Grade (EOG) Assessment.

2020-2021 MES Goals

Reading:

In the spring of 2021, 60% of 1st grade students at MES will have a Dibels composite score of 155 or above (Core Support).

Math:

In spring of 2021, 75% of 1st grade students will score at or above the Proficient Learner Level on the STAR Math assessment at the time of state testing.

MES Family Resource Center

Math

Focus Area:

Increase addition and subtraction fact fluency

As a school, we will...

- Send home practice sheets & websites for families to practice addition & subtraction fact fluency with their child.
- Provide families with strategy sheets for teaching addition and subtraction facts.
- Offer a Family Workshop session to foster math skills.

As a parent, I will...

- Use the practice sheets and websites to practice addition and subtraction facts at home with my child.
- Use the provided math strategy sheets to reinforce addition and subtraction facts.
- Attend the Family Workshop session to learn strategies to help increase my child's math skills.

As a student, I will...

- Use practice sheets and websites to practice addition and subtraction facts at home.
- Bring home addition and subtraction fact strategy sheets and use them while completing homework.
- Bring home my class newsletter and invitation about the Family Workshop session.
